To the members of Grace,

I am writing to inform you of our Annual Congregational Meeting, to be held November 8th, 2019 at approximately 11am, following our digital worship service at 9:45am. For the safety of our congregation and community, we will gather via Zoom (you can use a computer, tablet, smartphone, or regular telephone to connect via Zoom) for the meeting.

Join **via computer/tablet/smartphone** by clicking this link:

<https://us02web.zoom.us/j/984794689?pwd=dEx0N3FDa055WFNQQTV5UFFyOUc5QT09> (**Passcode: Grace**)

Join **via phone** by calling **646-558-8656** and entering the **Meeting ID: 984 794 689** and **Passcode: 546963**

The purpose of the meeting is to receive and vote on recommendations from the Nominating Committee, elect Council members and other leaders, approve a Ministry Spending Plan for 2021, and consider a plan to upgrade the audio and visual capabilities within our sanctuary.

You will find two versions of our draft 2021 Ministry Spending Plan proposal attached. One version is in spreadsheet form, while the other version is a narrative explaining our Spending Plan for the coming year. I am also enclosing the proposal for upgrading the audio and video capabilities to support a hybrid (in-person and digital) worship experience. Additional copies of these documents are available in the church office.

Our agenda is included as an enclosure. I have included the proposed motions for us to consider on the major agenda items in the same document. As our bylaws require a written ballot, it is included with the agenda.

I look forward to hearing from you if you have questions and seeing you at the Congregational Meeting. May the peace of Christ be with you always!
