Hellooooo friends! What's your favorite thing to eat? I love pancakes. I could eat pancakes for breakfast, lunch, and dinner every day! When we eat pancakes, I usually make enough for the three of us who are at home in my family, and usually, we have one or two left over. Guess who gets those? My dogs -they love pancakes too!

Back in Jesus' day, the food that was readily available was fish and loaves of bread. Fish, because the areas where Jesus traveled were mostly fishing towns and bread...well, biblical folks always had bread! Our gospel lesson from Matthew this morning talks about Jesus feeding FIVE THOUSAND PEOPLE with just FIVE fish and TWO loaves of bread! That's like me making pancakes for my family, but being able to feed my entire neighborhood! How can that be enough food?!! OH! And they had 12 baskets of food left over! Impossible? Well, not for Jesus.

Jesus performed a miracle by taking what was given to him by his disciples and turning into MORE than enough. Jesus can take what little we bring to him and make it into something huge, we just have to be open to giving what we have to the Lord. Even though you may be little, you have wonderful gifts to share with all of God's people and the Lord will make sure that it's more than enough.

Provider God, you take our gifts and multiply them for the good of creation. Help us to be generous with all that you have given to us. Amen.
