## ***Easter Sunday***

**Objects:** Large Easter Lily or some other beautiful flower and an old plant bulb

Good morning friends! Do you know what special day it is today? Yes. It's Easter Day. It's the day we celebrate that wonderful miracle of Jesus being raised from the dead. He was dead in the tomb but then on the third day, he came back to life. Hallelujah! Amen? Do you see this old dried up bulb? It looks like its pretty dead, doesn't it? What do you think would happen if I put this shriveled up old bulb in the ground? (allow for answers) Do you think it would just stay dead and that's the end of the story? Here's what happens...if you put this old, shriveled up bulb in the ground, cover it with good soil, and water it, it can grow into a beautiful flower full of life. (Show them the beautiful flower.)

When they put Jesus to death on the cross most of the people thought that he was dead and gone forever. He really died and they knew that dead people don't normally come back to life! But Jesus is different. Jesus is God's own son. He is the resurrection and the life. After they buried Jesus in the tomb, Mary and Jesus' friends went away very sad but then, on the third day they discovered that he had come back to life! It was a miracle – He came back to life. He rose from the dead. The good news is that although we can't see him now we know he is alive! He loves us and he can give us that same resurrection life that brought him back from the dead. So when you look around outside and see flowers coming up through the ground I want you to remember what a miracle it is. Also, remember what a miracle it is that Jesus rose from the dead and is alive, living in our hearts.

Gracious and loving God, Thank you for the miracle of Easter! Thank you that Jesus is alive and can be a wonderful friend to us today. Amen.
