

**Welcome back to the Grace Lutheran Church Food Pantry.**

**Please be aware that we have new procedures in place to keep you safe. We ask that you wear a face covering. You will wait outside, 6 feet apart in chairs. When you are called, you will enter the building to complete paperwork. After you have finished inside, we ask that you leave the building and wait in your car. The food will be delivered to your car and placed in the trunk.**

**Thanks!**
